Advisory Council

Brendan Crotty

7 November 2010

Current Issues in Prevocational Education & Training

1. CPMEC governance
2. CPMEC funding
3. National registration & accreditation
4. Australian Curriculum Framework for Junior Doctors
5. Increased graduate numbers
6. Workforce issues
7. Training / accreditation issues
8. CPMEC awards

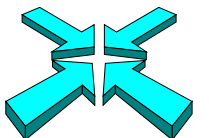

1. CPMEC Governance

July 1 - registered as not-for-profit company:

- Board
- Management Committee
 - Liaison Heads: Accreditation; Workforce; Education & Training
- Advisory Council
- Principal Officers Committee
- ANZ JMO Forum Chairs Committee
- Medical Education Officers' Committee
- Directors of Clinical Training Committee

Strategic Planning Workshop September 13th

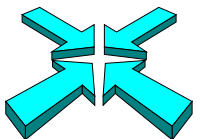

2. CPMEC Funding

Pre 2010/11

- Three year DoHA funding
- MTRP project funding (to June 2008)
 - ACF, PDPR, TotR, PMAF
- DoHA support for ACF in 2008/9 and 2009/10

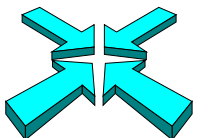

2010/11

- One year DoHA funding – encouraged to find other sources
 - HWA? - MTRP? - jurisdictions? - commercial? - MBA? - fees?
- No ACF funding unless/until ACF incorporated in NRAS
 - ACF development suspended

3. National Registration & Accreditation

- 2009: CPMEC Paper on Internship and NRAS
 - 47 weeks of accredited rotations
 - 8 to 10 weeks of med, surg and em med *based on content not site*
 - Workplace based assessment of ACF learning objectives from the ACF
 - Dual sign off for full registration
- MBA requested AMC advice on:
 - the standards for intern training;
 - what should be expected of interns to grant general registration; and
 - a national framework for intern accreditation
- AMC Working Party – CPMEC representation
- PGY2?

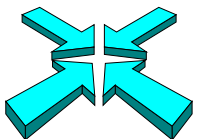

4. Australian Curriculum Framework for Junior Doctors

- **Revised 2009**

.....awaiting **AMC/MBA**

- New governance structure:
 - National Steering Group
 - Assessment / Teaching & Education / Vertical Integration / Project Officer Working Parties
- Roll out of national (workplace based) assessment tools?
 - PMCs contacted re implementation
- National survey on implementation – 2010 Forum
- Identification of web based resources – pro-bono

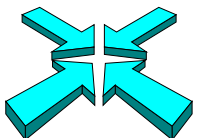

5. Medical Graduate Numbers

| | 2005 | 2010 | 2011 | 2012 | 2013 | 2014 |
|---------------|------|------|------|------|------|------|
| Domestic | 1320 | 2264 | 2667 | 2912 | 3045 | 3108 |
| International | 267 | 512 | 468 | 518 | 678 | 678 |
| Total | 1587 | 2776 | 3135 | 3430 | 3723 | 3786 |

2010 MTRP Report

Prevocational training:

- Internships for all domestic graduates in 2012+

6. Workforce Issues

■ Vocational Training

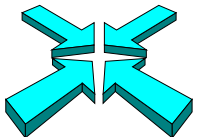

- 2010: GP / Em Med / Specialist Training Program
- Expansion from 2011 – *the* most difficult challenge?
- Coordination? - Funding? - Site? - Supervision?

■ National intern allocation working party

- National audit of multiple acceptances: 42 positions
- Supply = demand in 2012 – implications?
- Future directions?

■ Internships for international graduates

- Problem from 2012 – implications for medical schools
- CPMEC interaction with HWA
- CPMEC contribution to AMA summit

6. Workforce Issues

■ IMGs

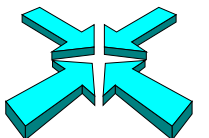

- MBA registration standards: IELTS
- MBA guidelines for supervised practice / WBA

■ Changeover dates for HMO/registrars

- Different starting dates for interns & registrars: resignations
- Discussed by MTRP – referred to HWPC (25/11)

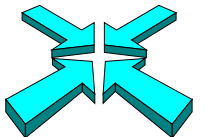

■ HWA

- Interaction with CPMEC
- Self sufficiency by 2025
- National Health Workforce Training Plan

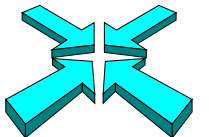

7. Training and Accreditation

- Awaiting AMC / MBA
 - Role of Prevocational Medical Accreditation Framework?
- PGPPP expansion
 - Accreditation?
 - GPET / RACGP / ACCRM / CPMEC discussions
- Vertical Integration
 - MDANZ / CPMEC / CPMC meetings
 - MDANZ / CPMEC / CPMC supervision proposal
- Professional Development Program for Registrars
 - Support from health departments / Colleges
 - Trainer Accreditation Program

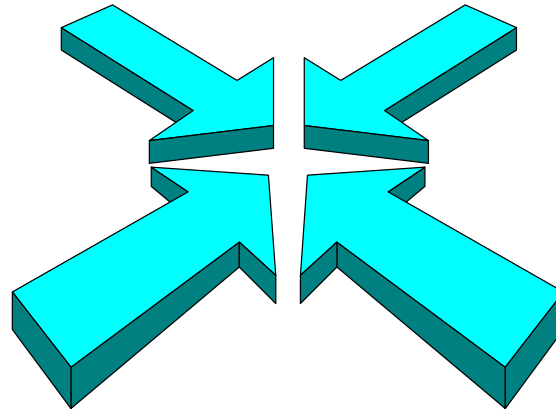

8. CPMEC Awards

- Geoff Marel Medal
- Junior Doctor of the Year
- Clinical Educator of the Year
 - State: nominated by JMOs
 - National: chosen by Principal Officers
