

NATIONAL PGY1/2 – SELF ASSESSMENT REVIEW FORM

Guiding Principles

This form is for use by the Junior Doctor prior to the Mid and End of Term Appraisal Meetings. The aim of the form is to promote self evaluation by the Junior Doctor of their knowledge, skills and behaviours relevant to the ACF prior to their assessment meeting with the Supervisor. The Junior Doctor should complete this form independently and take it with them to the meeting with the Supervisor so that it can be discussed.

Instructions:

1. Junior Doctors are to reflect on their performance and to tick appropriate boxes in the columns provided.
2. The information on this form is a mechanism for promoting discussion between trainees and supervisors and will not be collected by Medical Administration.
